DANCE CLASSES

Lyrical/Contemporary, (Int.-Adv.)

Ages: 12+

Contemporary dance is highly musical and often characterized by body isolations, pedestrian gestures, and geometric shapes. Lyrical is expressive, fluid, and graceful. This class will examine the differences in the styles and find moments of overlap through various challenging across the floor exercises and extended center combinations.

Attire: Black jazz pants or shorts may be worn over any color leotard, foot undeez, jazz, or half-sole lyrical shoes permitted. Hair should always be secured away from the face in a ponytail or bun.

Competition Teams

Ages: 5-7, 8-11, 12 & up

Acceptance and participation in the Competitive Program is through an annual audition. Only those enrolled in the Pre-Professional Programs I, II, or III for the entire competition season within the studio will be considered. All students, regardless of age or years of training, will be placed according to their degree of accomplishment, ability, maturity, enthusiasm, physical stamina/strength, and commitment as decided by the Director. Each dancer has a responsibility to their company to attend all classes and ensure they learn their work. They must maintain the standard and enhance their group. Pride, accomplishment, loyalty, and teamwork are rewards that are far more important than the medals and trophies won. This intensive level of training enables each dancer to reach their full potential. The joy, excitement, and friendships created on competition outings are often lifelong.

Attire: Black jazz pants or shorts may be worn over any color leotard, foot undeez, jazz, or half-sole lyrical shoes permitted. Hair should always be secured away from the face in a ponytail or bun.
